QINGWORK SERIES

Cultivate one type of life with one type of temperament. Life is made up of the many details of our everyday life. Read and taste quietly, and any fickleness will be left far away from you. Work is as simple as this. With confidence and pride grants your office a quality that is different from any others.

The shape is concise but not dull, the curves are smooth but not stiff, and the color is pure but not tedious. Their elegant and concise temper makes people forget its functional characteristics. Those various changes during using the products are often in their classic and traditional appearance. Only unique innovation and inspiration can shine in the details.

UPHOLSTERED Mesh Chair Series

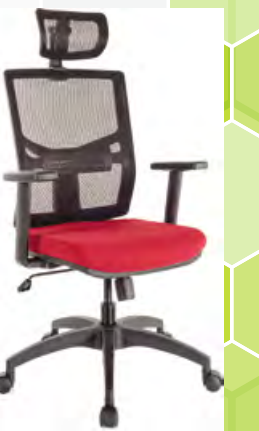

No one simply sits in a chair. They use it in many different ways, from working to relaxing and everything in between. We also understand that no two people, or their working environments, are ever truly alike. That is why we strive to offer you freedom of choice. An ensemble of seating solutions has been carefully selected to meet the requirements of all working environments: flexibility, durability, aesthetics and, of course, functionality.
